22 March 1962

John A. McCone, Director of Central Intelligence, asked me to thank you for your letter of 14 March 1962 regarding the similarity between a photograph of the damaged section of the U-2 plane in Russia and the damage which you observed several years ago when doing classified work at Frankford Arsenal.

It was very good of you to write to Mr. McCone on this subject.

Very truly yours,

Stanley J. Grogan
Assistant to the Director
